POLO SHIRTS

Polo n.m.: Polo is a unisex sportwear garment invented for tennis and which entered fashion in the 30's. **Open collar or buttoned collar,** the polo shirt lends itself to the play of colours and materials. Well known in **quilted mesh**, it also offers all its comfort in **cotton jersey**. In 2020, Kariban applies antibacterial treatment to certain references to reduce unpleasant odours and respect the environment by reducing the washing time. New for Workwear polos with a wide range of contrasting line colours. Very good marketing tool, the polo shirt is perfect for all communication events and everyday for a **casual look**.
